The Franklin Templeton Solo(k) is a new offering that can help make the retirement dreams of small business owners a reality. It is designed for people like you who are small business owners and want to build wealth for retirement. The brochure highlights the key advantages of the Solo(k) plan, including the ability to contribute up to \$18,000 per year (or \$20,000 if you are 50 or older) and the potential for tax-deferred growth. It also mentions that the plan is designed to be easy to set up and manage, and that it can help you build a diversified portfolio of investments. The brochure includes a table of investment options and their performance, as well as a section on the fees and expenses of the plan.
